

AP United States History

Dear AP United States History Students,

Welcome! My name is Mrs. Elms and I will be teaching the AP United States history class here at Downey High School. In an attempt to prepare you for the upcoming 2019-2020 school year, I have compiled a list of summer assignments for you to complete. All assignments will be due on the first day of school, for a grade, and will not be accepted late for points for any reason. Failure to turn in the summer assignments on the first day of school will result in receiving an "F" on the assignment(s), but you will NOT be dropped from the class for failing to complete the summer work.

As you get ready for summer break please do the following three things:

- 1) Join the APUSH Summer Assignment 2019-2020 Schoology class using the following access code: **WVBJM-V7TH7**. This class page will have all of your summer assignments and instructions. You should have already received a letter from me outlining this basic information, but if you have not, there will be extra copies of this letter in the library that you can get when you check out your textbook and it is also found in the Schoology class.
- 2) Check out the textbook: *American History: Connecting with the Past* before the last day of school.
- 3) Check out a device from the tech room. I believe that you can start doing this as of June 12th but check with them to make sure.

Please feel free to contact me if you have any questions or concerns. I will be checking and responding to email about every two to three weeks over the summer.

elms.j@monet.k12.ca.us

Best,

Mrs. Elms
