

**BACK TO SCHOOL NIGHT**  
Special Invitation

The entire staff at Downey High School extends to you an invitation to join us for Back-to-School Night. We want very much to share our programs with you, and in the process become better acquainted. We need your continued support as we work with you in educating your sons and daughters. We are proud of our programs and know that your concerns, thoughts, and ideas will only make us better. We hope to see you there!
