

## FAQ's for the 4 Year College Bound Student

---

Be sure to visit TDHS College Website: <https://sites.google.com/monet.k12.ca.us/tdhs-college-counseling-websit/home> and read the monthly newsletter. It will cover upcoming, news, events, workshops, deadlines & provide more detailed information that's important for seniors to know. Also plan to visit Modesto City Schools (MCS) Scholarship webpage often at <https://www.mcs4kids.com/district/counseling-and-guidance/college-counseling/financial-aid> which is usually up and running in September.

### When do I apply to 4-year colleges? Apply ONLINE!!

- October 1st -November 30th for CSU <https://www2.calstate.edu/apply>
- November 1st -30th for UC <http://admission.universityofcalifornia.edu>
- College Application fee waivers for CSU and UC are located at the end of the online application process after answering some questions
- Private universities prefer that students use the common app to apply online and they have various application deadlines and application fees. For specific information, check individual college websites to be certain or visit [www.commonapp.org](http://www.commonapp.org)
- Obtain an unofficial copy of your transcript from your academic counselor to assist you in entering every detail in the application correctly. If you do not accurately report your grades, the college can rescind their acceptance offer once they receive your final transcript in June. If you receive a "D" or "F" at the end of the first semester of your senior year, **YOU MUST** contact the colleges you applied to and inform them.

## Senior FAQ's

---

### *Do I need to take the SAT or ACT?*

Due to the ongoing challenges presented by the COVID-19 pandemic, in-person testing of the SAT and ACT is hit and miss due to test center cancellations. Therefore, for the SENIOR CLASS of 2022, all UC's, CSU's and 75% of California private and out of state colleges/universities will **NOT** consider SAT or ACT test scores when making admission decisions or when awarding scholarships. UC's and CSU's have affirmed that they will **NOT** penalize students for the absence of a standardized test score. Instead they will follow a student centered, holistic approach to admission that will NOT disadvantage any student without a test score Call private and out-of-state college admission office or check their websites just to be sure they are NOT considering SAT/ACT test scores. **NOTE:** This policy **may NOT** apply to prospective NCAA student-athletes applying to UC's, CSU's or private colleges. It's your responsibility to check with the admission office of the college you plan to apply to or contact the college coach to determine if SAT/ACT scores will still be required.

### *What is EOP?*

The Educational Opportunity Program (EOP) is designed to improve access and retention of historically low-income, educationally disadvantaged and/or first generation college students. If you fit this criteria, then when applying online to the CSU system, you must check the box that indicates you are applying for EOP too. You may not necessarily have to meet all the A-G requirements. Financial assistance is usually offered as well. Check out the following website to learn more about EOP:

<http://blog.prepscholar.com/what-is-eop>

### *What is the EAP mean for CSU's?*

Seniors who are accepted & plan to attend a CSU, MUST demonstrate readiness to take college level coursework in English and Math. NOTE: You might be exempt from having to take an EARLY START English and/or Math course at a CSU in the summer, by achieving acceptable scores on either your EAP test, SAT/ACT test, AP Exam and/or GPA status. To determine your exemption status, you need to look for your EAP results (locate the CAASPP test scores you received during the summer). Included with your CAASPP test results, you'll find your EAP results. If you're not sure whether or not you're exempt, call the Assessment Office of the college you plan to attend or visit the following CSU EAP website <https://www.csustan.edu/early-assessment-program> for more detailed info regarding multiply measure options to help you determine if you're exempt from having to take EARLY START summer courses in English and/or Math.

### *When will I be able to view my senior class rank?*

Your FINAL senior rank by **Decile** and **GPA** will be posted in the "COMMENT" box at the bottom of your transcript in October

### ***How many colleges should I apply to?***

It's suggested about 3-5: a "dream" college, a couple of "reach" colleges and a "safety" college (like CSU Stanislaus or UC Merced since they are in our demographic area).

### ***When do I find out if I am accepted?***

For CSUs, the earlier you apply, the sooner you'll hear back. UC acceptance notifications are typically received in mid-March to early April. Private universities will vary. **NOTE:** Be sure to check your mailbox and email often for your letter of acceptance!

### ***When do I have to make a final decision regarding acceptance?***

May 1<sup>st</sup> is the most common deadline for informing the college of your "intent" to enroll and in most cases they will also require a deposit to hold your spot too. Read and respond to requests for information carefully when you receive your acceptance letters and check your email REGULARLY!

### ***Do I need to send a transcript with my UC and CSU application?***

No, typically UC and CSU campuses **DO NOT** require you to submit a transcript at the time you submit an application. However, some UC & CSU campuses might ask for a mid-year transcript. If that's the case, be sure to check your email frequently, then see Ms. Garrett (the registrar in Records Office room 60) to request that one be sent. Also be sure to check the requirements of private schools regarding submission of transcripts and letters of recommendation.

### ***Do I need to send letters of recommendation (LOR) to colleges?***

UC or CSU colleges do NOT require nor do they accept LOR's. Some private universities and scholarship applications will typically require one or more letters of recommendation (check specifics on the application). Ask teachers who know you well to write your LOR, and give them at least 3-4 weeks' notice.

### ***What is the Common Application and how do I use it?***

Common applications are used when applying to private universities. Visit [www.commonapp.org](http://www.commonapp.org) to access the application. Remember that private colleges have different application deadlines, so be sure to research this info. There is a portion of the application in which you will need to waive your FERPA rights and a section that the counselor and your teachers need to complete. If you plan to apply to one or more private colleges, it's important you start early in your senior year as there are many steps in this process to complete. **DON'T PROCRASTINATE!!! Also make sure to inform the college counselor of your plans to apply to a private college as it will not be known to her, unless she is notified by YOU, that supporting documents need to be sent thru Naviance.**

### ***Should I make campus visits?***

Absolutely! It is important you connect with the college you will be attending for the next four years! Setting your footprint on the campuses, will make a difference in where you choose to go. You and your parents can visit campuses or take tours on your own, or you can attend various college preview days by checking their website for *dates*. Either way, it's important to make sure you "fit" with the campus you select. *Try to schedule college visits/tours periodically throughout your high school career.*

### ***How do I find colleges that will best fit my major and areas of interest?***

Visit Naviance at <https://student.naviance.com/downey>. If you take the "Career Interest Profiler" it will match you to careers that best suit your personality and colleges that have majors which match your interests.

### ***What is Naviance and how do I register?***

**Naviance** is a powerful resource tool to help guide and organize you through the sometimes confusing path of college and careers. It is designed to help you plan and prepare for **YOUR** future! For example, you can create your student profile, research colleges and careers, create a resume, find scholarships and learn more about yourself and what interests you through Naviance career and personality inventories. Naviance also helps you keep track of the colleges you applied to in the fall and accepted to in the spring. Whether you plan to attend a college or vocational/trade/tech school, go into the military or work right after high school, visit the Naviance site regularly and become familiar with the many resources available to help you plan and prepare for **YOUR** future. **NOTE: All seniors will be required to take a Senior Exit Survey on Naviance before being cleared for graduation. So it is imperative that all seniors know how to log-in to Naviance.** To get started you **MUST** log in with your school device **1.** Go to TDHS website <https://downey.mcs4kids.com/> **2.** On TDHS homepage, locate the "Students" tab and select "Applications" on the drop down menu. This will take you to the "MCS App Portal" **3.** Next locate the "Naviance Student" icon and click on it. This will automatically take you to your *personal* Naviance Welcome page. **Be patient because the Naviance app takes some time to load.**

### ***How can I find out about scholarships?***

Scholarships listings are ongoing throughout the school year and are posted on the MCS Scholarship webpage monthly at <https://www.mcs4kids.com/district/counseling-and-guidance/college-counseling/financial-aid>. Also browse through the reliable scholarship search engines provided at the top of the webpage and look through the National Scholarship Search tool provided in Naviance. **TIP:** Once you decided where you are going to attend, be sure to research the scholarships that are offered by your college/university!

### ***When should I apply for financial aid?***

The Free Application for Federal Student Aid (FAFSA) is an online application that you and your family fill out together. All students should apply for financial aid regardless of GPA or family income level. FAFSA can be filled out starting **October 1st – March 2nd** and parents can use **LAST YEARS TAX INFO** to complete and submit the form online. **NOTE:** Before submitting the FAFSA application, students need to make sure their name & birth date used on their FAFSA application **exactly** matches the name & birth date on their transcript and Social Security card. If an error is discovered before submitting the FAFSA, please notify the counseling office ASAP, otherwise the state may reject your FAFSA submission and you risk NOT qualifying for Financial Aid/Cal Grants. **Using the correct information will allow MCS district office to electronically submit you Cal Grant GPA verification form without complications.** Financial aid is given for different reasons and can be used at all different types of colleges: 4-year universities, community colleges and some career/ technical schools. It is highly recommended you and your parent attend the many free **VIRTUAL** community FAFSA workshop events available in your area [www.cash4college.csac.ca.gov](http://www.cash4college.csac.ca.gov) and plan to submit your FAFSA no later than the end of January, so the colleges you listed on your FAFSA will have time to review your information and send you their offer of financial aid well before the March 2 FAFSA submission deadline.

### ***Will my AP test scores earn me college credit at every university?***

Many CSU and UC campuses accept AP exam scores of 3, 4, or 5. Private colleges may handle these in different ways. It is strongly recommended to check individual college websites to see how credit is awarded. To view AP credit policies by university, go to: [www.collegeboard.com/ap/creditpolicy](http://www.collegeboard.com/ap/creditpolicy).

### ***What if I want to play sports at a Division I or Division II school?***

Register **NOW** with the NCAA Eligibility Clearinghouse at <https://web3.ncaa.org/ecwr3> by the end of your junior year or very beginning of your senior year. **NOTE: NCAA will NOT accept classes taken in ESS, summer school or MVA (in essence, courses designated "OLL" on the transcript do NOT meet NCAA requirements so you will need to retake D/F classes in your regular school schedule.** Check out the following <http://www.ncaa.org/student-athletes/future> and [http://fs.ncaa.org/Docs/eligibility\\_center/Student\\_Resources/CBSA.pdf](http://fs.ncaa.org/Docs/eligibility_center/Student_Resources/CBSA.pdf) for more detailed NCAA information. Don't forget to contact/meet with your Downey coach, Downey Athletic Director or the sport coach of the college you're interested in playing for to **VERIFY** that you are on track to meet NCAA requirements (which are different and more stringent than your A-G requirements).
