MEMO: AP Exams- Free

We are pleased to announce that the 2021 AP exams will be free to our Downey AP students. In order to ensure that all of our AP students are accounted for and an AP exam is ordered for them, they must be enrolled in their teacher's AP classroom course. The teachers have their own code to give to students for them to enroll in the class. This is done in addition to the Schoology course. Many students have already done this, but if your student has not, please make sure they enroll. If students don't enroll in AP Classroom prior to November 12th, they will not be able to take advantage of the free exams. They will be charged a \$40 late fee.

If your student already paid for an exam, please be aware that we are going to work to process refunds. You will be notified when the refunds will be issued.
